

Safety Plan

Safety In Your Current Residence

- To make my current residence safe, I can:
 - Change the locks on my doors and windows
 - Replace wooden doors with steel/metal doors
 - Install security systems such as: cameras, alarm systems, window bars, etc.
 - Purchase rope ladders to escape from second floor windows
 - Install smoke detectors and fire extinguishers
 - Install motion detection outside lighting
 - Inform _____ (neighbor/landlord), and _____ (family/friend) that my partner no longer resides with me and they should call the police if he is seen at the residence.
 - Provide a picture of my abusive partner to the individuals listed above so they can identify my abusive partner
 - If I am in a new residence that my abusive partner does not know about, I will only let trusted individuals know about this new location
- To ensure my child(ren) is/are safe, I will:
 - Teach my child how to make a call to myself or law enforcement, and what to say in the event that my partner takes them.
 - Teach them to say: _____

 - Tell people who take care of my children which individuals have permission to pick up my children and that my partner is not permitted to do so. I will inform:
 - School: _____
 - Daycare/Babysitter: _____
 - Teacher: _____
 - Coach: _____
 - Other(s): _____
