Safety With An Active Order Of Protection

- I will take these steps to help enforce my order of protection
 - I will keep a copy of my order of protection in the following spaces:
 - Purse
 - Car
 - Work
 - School
 - Local Police Department
- I will inform people closest to me that I have an order of protection in effect
- If my partner violates the order of protection, I can call the police and report the violation.
 - In emergencies, contact: 911
 - In non-emergencies, contact: _____
(local non-emergency number)
- If the police department does not help, I can contact an advocate or attorney to file a complaint with the Chief of Police or Sherriff.
- If my partner destroys my copy of the protection order, I can get another copy at the clerk's office.
